To Whom It May Concern

I am pleased to wholeheartedly recommend **Amanuel Merid**, who worked as a **Software Developer Intern at Canvas Technologies** from **March 27, 2026 to August 7, 2026**.

During his internship with Canvas, Amanuel demonstrated strong technical aptitude, dedication, and enthusiasm for software development. He quickly adapted to our development environment, demonstrated a good understanding of software engineering principles, and contributed meaningfully to the projects and tasks assigned to him.

Throughout his internship, Amanuel showed a strong willingness to learn and continuously improve his technical skills. He approached challenges with a positive attitude, was receptive to feedback, and consistently demonstrated the ability to understand new concepts and apply them effectively in his work.

Beyond his technical abilities, Amanuel proved to be a responsible and collaborative team member. He communicated effectively with colleagues, worked well within a team environment, and demonstrated professionalism in carrying out his responsibilities. His commitment to learning and willingness to take on new challenges made him a valuable member of our team.

We greatly appreciated Amanuel's contributions during his internship and are confident that the experience and skills he gained at Canvas will serve him well in his future career as a software developer.

I am happy to recommend **Amanuel Merid** for future academic and professional opportunities without reservation. Please feel free to contact us should you require any further information regarding his internship or performance.

Sincerely,

Eyoel Kefyalew
